GENEROSITY

by Nicholas Moncreiff Passell

CTDS helps you talk about how you feel.
These feelings are the ones that are most real.
All the children are accepted with open mindness.
Because this school overflows with kindness.

Kindness is something we never ration.
Rather we overflow with compassion.
Generosity is something we give and receive.
The extraordinary qualities we never let leave.

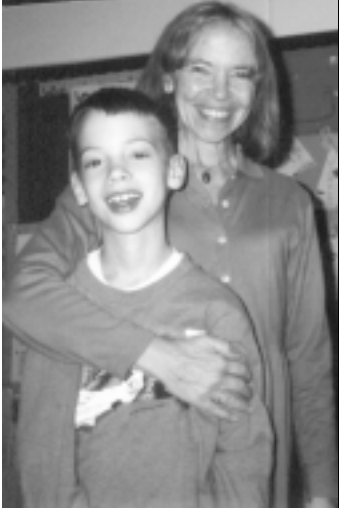

The adults keep us safe and secure.
And help us to grow more mature.
They also give us lots of love.
And help us feel secure like a hand to the glove.

They plan memorable moments of worth.
Bringing us happiness, excitement and mirth.

They playfully tease in a fun loving way.
Making you feel good throughout the entire day.
We always listen to each other with care.
And this is a quality which is very rare.

So are the other qualities at CTDS.
The best of the schools. The best of the best.
